

Minimum Passing Distance

QUEENSLAND

Police Officers said that the road rule is hard to enforce but drivers seem to be giving cyclists more room.

Observations showed
88%
of drivers
left 1m or more in
60 km/h or less
speed zones

79%
left 1.5m or more
in higher
speed zones

Drivers said it is difficult to comply if:

- no bike lanes
- oncoming traffic (single lane) or
- adjacent lane traffic (multi-lane).

Most **cyclists** (**75%**)
and **drivers** (**60%**)

said that **motorists now give cyclists more room** than they used to.
